Come si usa

1. Stampa le pagine a grandezza reale / 100%, solo fronte.
2. Ritaglia immagini e parole dalle riviste, oppure disegna e scrivi le tue.
3. Incolla ognuna nell'area della vita a cui appartiene.
4. Riempi il bingo con 24 cose che vuoi dal 2027 e cancellale quando succedono.

Consigli di stampa

- In questo file ci sono le pagine A4 e Letter; stampa quella adatta alla tua stampante.
- Va bene anche in bianco e nero. Stampa al 100 %, senza «adatta alla pagina».
- Funziona anche in GoodNotes e Notability: importa il PDF e scrivici sopra.
