How to use it

1. Print the list on A4 or Letter. The full list has our 10 places; the empty one is for your own trip.
2. Fold it into your guidebook, notebook or bag.
3. Tick a box each time you see a place.
4. Back home, keep the page with your trip photos.

Print tips

- A4 and Letter pages are both in this file; print the one your printer takes.
- Prints fine in black and white. 100% scale, no fit-to-page.
- Works in GoodNotes and Notability too: import the PDF and tick on your tablet.
