How to use it

1. Print the pages on A4 or Letter. Card makes the bookmarks last.
2. Color in the line-art bookmarks, if you printed those.
3. Cut along the dashed lines and punch the hole at the top.
4. Tie a ribbon or a piece of yarn through the hole as a tassel.

Print tips

- A4 and Letter pages are both in this file; print the one your printer takes.
- Print at 100% scale, no fit-to-page, so the pieces keep their size.
- Card stock (160 to 250 gsm) keeps a bookmark flat; plain paper works too.
- Laminate them, or cover them with clear tape, for a bookmark that lasts the year.
