How to use it

1. Print the pages on A4 or Letter, as many as you need.
2. In the gift tracker, write each person and the present, then tick bought, wrapped and given as you go.
3. Add up the spent column at the bottom, so the budget stays in sight.
4. In the card list, tick sent when it is in the post and got one when theirs arrives. Keep the page for next year's addresses.

Print tips

- A4 and Letter pages are both in this file; print the one your printer takes.
- Prints fine in black and white. 100% scale, no fit-to-page.
- Works in GoodNotes and Notability too: import the PDF and write on it.
