How to use it ✳

1. Print a sheet on A4 or Letter sticker paper, or on plain paper and use glue.
2. Cut along the dashed lines with scissors.
3. Stick them on planners, cards, gift tags and envelopes.
4. For the gift tags, cut along the dashed lines, punch the hole and tie them on with ribbon. Write who it is for and who it is from.
5. On a tablet, use the PNG zip from corenk.app: drag the transparent PNGs into GoodNotes or Notability.

Print tips

- A4 and Letter pages are both in this file; print the one your printer takes.
- Print at Actual size or 100% so the stickers keep their size.
- Prints fine in black and white; the line art sheet is made for it.
