How to use it ✳

1. Print the page that matches your week: Monday start or Sunday start. A4 and Letter pages are both in this file.
2. Stick it where you will see it: the fridge, a desk, the inside of a door.
3. Write plans and dates in the boxes as they come up.
4. The pictures were made with an AI image tool; the dates and the grid are ours.

Print tips

- Print at Actual size or 100%, in color: the picture is the page's decoration.
- Matte or semi-gloss paper shows the warm colors best.
- To save paper, print only the months you need.
